WOODFREE REPORT OVERVIEW

‘A detailed, reliable and perceptive analysis of market activity and trends’

The **EMGE EUROPEAN WOODFREE PAPER MARKET** report series examine market activity and trends in the European woodfree paper markets. The report series has been specifically designed to assist paper-makers and others plan their activities and involvement in this important sector. Nearly all the major companies and many others are regular subscribers.

Each report contains a wealth of information, covering demand for all grades of woodfree paper (coated and uncoated; reels, sheets, cut-size, etc), imports/exports, supply, capacity and prices. The reports give in-depth coverage of key issues such as Market Cycles and Paper/Pulp prices.

The information and forecasts are based on thorough yet impartial analysis of published and semi-published information, supported by continuous, detailed market research. Subscribers tell us that the forecasts are unique, perceptive and valuable.

- The **EMGE EUROPEAN WOODFREE PAPER MARKET** reports are focused on Western Europe and Eastern Europe, giving specific market information on Germany, United Kingdom, France, Italy, Nordic, Benelux, Iberia and Other, as well as Eastern/Central Europe (new-EU). Grades covered include Coated WF reels, sheets; Uncoated WF reels, offset sheets, cut-size. Prices are given in Germany/Euro and UK/GB£. The reports also contain:
 - Detailed company capacity data with comprehensive investment listings.
 - Pulp and Paper forecasts (NBSK, Hardwood - \$/t, Euro/t)
 - Leading supplier tables
 - Imports and Exports by grade

ABOUT EMGE & COMPANY

'Quality market analysis at your fingertips to help you control your future'

EMGE & Co are one of the leading consultants to the world Paper Industry and specialise in producing Industry Standard market analysis and research.

Founded by Martin Glass in 1993, EMGE & Co employs a specialist team to produce forecasts and research information through multi-client reports, individual project assignments, commissioned surveys and specific market sector reports. The EMGE operations comprise a core team based in Cornwall UK, supplemented by a comprehensive network of industry specialists and qualified interviewers/researchers based in various locations around the globe.

EMGE & Co publish a high quality range of regular market forecast reports and other industry information, focussing on the global graphic paper sector, including:

- bi-annual **EMGE World Graphic Paper** and **World Newsprint Market** reports
- tri-annual **EMGE European Woodfree Paper** Market service
- quarterly **EMGE Publication Paper** price forecasts & **EMGE Shipments** forecasts
- monthly **EMGE Global Monthly Monitor**
- annual sector reports and image surveys, e.g. on **Office papers**

As well as being frequently commissioned to advise on future changes in the markets, EMGE & Co are also hired to conduct private client studies, involving market structure analysis, image surveys, feasibility of new projects, and diversification and acquisition studies.

The EMGE client list includes nearly all of the leading paper-making companies worldwide, as well as numerous suppliers, merchants, publishers, buyers, financial institutions, investors and a range of other companies interested in the paper sector. These companies increasingly rely on the forecasts and information from EMGE for their business and strategic planning.
